Examination	University	Institute	Year	CPI/%
Graduation	GTU(IT)	LDCE Ahmedabad	2024-27	9.04
Diploma	GTU(IT)	GP Gandhinagar	2021-24	8.54
SSC	CBSE	Adani Vidya Mandir	2021	71.4 %

PROJECTS

- **Sleep Quality and Mental Health Prediction System** ([view](#))
 - Developed a machine learning model to analyze sleep patterns and predict potential mental health risks using health and lifestyle data.
- **CipherVault 2.0 – The Cryptographic Vault** ([view](#))
 - A next-generation browser-based cryptographic vault built to encrypt, store, and safeguard sensitive digital assets.
 - Featuring end-to-end client-side encryption, secure key management, and a zero-trust privacy-first design.
- **Automated WhatsApp Notify Webpage for Lecture Timings** (*Private*)
 - A web-based automation system that sends lecture schedule notifications through WhatsApp. Designed to help students receive real-time updates.
- **CryptoSeal - The Steganography and Digital Signature System** ([view](#))
 - A browser-based cryptographic security suite that enables digital signing, signature verification, and encrypted steganographic communication.
 - Built with modern cryptographic standards to ensure authenticity, integrity, and confidential data exchange while preserving complete user privacy.
- **DocMind AI - Conversational PDF Intelligence** ([view](#))
 - It is an offline AI-powered PDF conversational assistant that allows users to interact with documents using natural language

TECHNICAL SKILLS

- **Programming & Scripting Languages:** C, C++, Java, HTML, CSS, Javascript , Python
- **Tools & Libraries:** Kali Linux , Nmap , Wireshark , Burp Suite , OpenVas , Cryptography

WORK EXPERIENCE & INTERNSHIPS

- **Tutor | IES Classes** (Feb'23-Mar'25)
 - Conducted academic sessions for students, simplifying complex concepts through structured explanations and practical examples.
 - Assisted students in improving problem-solving skills, exam preparation strategies, and subject understanding.
 - Maintained an engaging learning environment by providing personalized guidance, doubt-solving sessions, and continuous academic support.
- **Internship Mentor | IES Infotech** (May'25-Present)
 - Mentored interns on technical projects, guiding them through development practices, problem-solving approaches, and industry-oriented workflows.
 - Assisted students in understanding programming concepts, project architecture, and practical implementation of software development techniques.
 - Collaborated with teams to support training activities, monitor intern progress, and encourage professional growth through hands-on learning experiences.

ACHIEVEMENT

- Developed an automated system for IES Infotech.
- Worked closely with students to enhance communication and leadership skills.

AREA OF INTEREST

- Cryptography
- Secure Communication System
- Vulnerability Scanning

HOBBY

- Badminton
- Teaching
- Social Networking
