B.E

Male

Examination	University	Institute	Year	CPI/%
Graduation	GTU(IT)	LDCE Ahmedabad	2024-27	9.04
Diploma	GTU(IT)	GP Gandhinagar	2021-24	8.54
SSC	CBSE	Adani Vidya Mandir	2021	71.4 %

TOP PROJECTS

- **CryptoSeal - The Steganography and Digital Signature System** ([view](#))
 - Developed a browser-based cryptographic security suite using HTML, CSS, and Vanilla JavaScript that enables digital signing, encrypted steganographic communication, and image camouflage.
 - Integrated modern cryptographic standards directly in the browser to preserve user privacy without relying on backend servers for key generation or encryption.
- **CipherVault 2.0 – The Cryptographic Vault** ([view](#))
 - Architected a zero-trust, privacy-first cross-platform application using React, Tailwind CSS, and Tauri to encrypt, store, and safeguard sensitive digital assets.
 - Implemented end-to-end client-side encryption and integrated biometric authentication using face-api.js, ensuring secure key management and persistent offline data storage with localforage.
- **Automated WhatsApp Notify Webpage for Lecture Timings** (*Private*)
 - Engineered a Python-based GUI automation system using PyAutoGUI for IES Classes to automatically send lecture schedule notifications through WhatsApp.
 - Streamlined the daily communication workflow, successfully reducing manual administrative workload and time spent on notifications by nearly 90%.

TECHNICAL SKILLS

- **Programming & Scripting Languages:** Java, C, HTML, CSS, JavaScript, Python
- **Frameworks & Libraries:** React, Tailwind CSS, Tauri, Streamlit, Node.js, MongoDB
- **Tools & Libraries:** Kali Linux, Nmap, Wireshark, Burp Suite, OpenVAS, Cryptography

WORK EXPERIENCE & INTERNSHIPS

- **Tutor | IES Classes** (Feb'23-Mar'25)
 - Conducted academic sessions for students, simplifying complex technical concepts through structured explanations and practical real-world examples.
 - Maintained an engaging learning environment by providing personalized guidance, doubt-solving sessions, and continuous academic support.
- **Internship Mentor | IES Infotech** (May'25-Present)
 - Mentored interns on technical projects, guiding them through software development life cycles, problem-solving approaches, and industry-oriented workflows.
 - Assisted students in understanding complex programming concepts, project architecture, and practical implementation of modern software development techniques.

ACHIEVEMENT & CERTIFICATIONS

- C2 PROFICIENT in English - EF SET Certificate
- Introduction to Cybersecurity - Cisco Networking Academy
- Python (Basic), React (Basic), JavaScript (Basic) – HackerRank
- OSINT Engineering – CyberPool
- PortSwigger Web Security Academy – BurpSuite
- Independent Security Researcher - HackerOne

AREA OF INTEREST

- Cryptography
- Secure Communication System
- Vulnerability Scanning

HOBBY

- Badminton
- Teaching
- Social Networking
